

## Swissgear 6283 24.5" Expandable Spinner Luggage - Black

Every inch counts when it comes to fitting last minute gifts into your luggage. The Swissgear 6283 Expandable Spinner Luggage Collection expands to give you an ample amount of packing space when needed. This luggage features a locking push/pull handle system and four 360-degree multi-directional spinner wheels for convenient portability.

Made from a durable, scuff-resistant polyester fabric, its interior is fully lined and features adjustable luggage tie-down straps for securing garments in place, a removable zippered wet bag, a large mesh lid pocket, and a packing pocket for holding small items and accessories. With the convenience of two front panel pockets, a built-in ID tag, and padded top and side handles, this ergonomically expandable luggage was designed with comfort, function and strength in mind.

- Push-button locking telescopic handle for easy pushing or pulling of luggage
- Four 360-degree, multi-directional spinner wheels for maximum maneuverability
- Reinforced padded top handle, and integrated side and bottom handle for easy lifting and carrying

- Expands for additional interior space
- Two front panel pockets with silver tone zippers
- Zippered lid pocket
- Zippered side mesh pocket
- Adjustable clothing tie-down straps that help prevent shifting of contents
- Removable zippered wet pouch
- Integrated ID tag
