DESCRIPTION

Revolutionize your workday grind with the Swissgear MX Commute hybrid briefcase/backpack. Designed for young professionals that want a briefcase with 21st century style that doubles as a backpack. It features a padded compartment for laptops up to 16" and a tablet pocket for devices up to 10". The zippered compartments come with pockets for cables and chargers, while the spacious laptop and tablet compartments provide ample space for all your files and books. The shoulder straps remain securely in a specialized pocket so you can retrieve them when you're ready. It also has a strap that fits over luggage extension handles to make your airport trek a breeze.
