

PS100

Basic, but bigger.

The PS100 is a single stud tilting mount designed to mount most flat panel TVs from 26" to 60". It will hold TVs weighing up to 88 pounds, and provide modest tilt or swivel capabilities to provide you with a range of viewing positions.

Solid steel construction, attractive detailing and a durable powder coated finish make this mount a great addition to your home or office.

- Product weight: 6.4 lb (2.9 kg)
- UPC: 800152714387

A VARIETY OF VESA PATTERNS

The PS100 is designed for smaller TVs with specific VESA patterns, including 100x100 and 200x200.

VESA SIZES TO 400x400

For larger VESA mounting patterns such as 300x300 and 400x400, attach the four extension arms using the supplied Nylock nuts.

TILT MECHANISM

The PS100's fingertip tilt control allows you to tilt your TV forward up to 14°. Adjust the tilt to reduce glare and find the best viewing angle. Tighten the nuts to lock the tilt angle in place.

MAGNETIC COVERS

Magnetic covers fasten easily to the wall plate to give you a clean, modern look.

LOW PROFILE DESIGN

The PS100 allows your TV to sit 3" (7.8 cm) from the wall when fully pushed in.

EVERYTHING YOU NEED

Because every installation is unique, PS100's are packaged with all the lag bolts, anchors, mounting bolts, washers and spacers that you could need to install your mount. Our mounts come with clear instruction manuals in order to simplify your installation and customer support is only a phone call away.
