

Cuisinart®

Elemental 11-Cup Food Processor with Accessory Storage Case

MORE POWER. MORE CAPACITY

11-cup capacity handles virtually every food prep task without slowing down.

PREP WITH THE BEST

Ultra-sharp stainless steel blade and discs chop, mince, mix, purée, emulsify, slice and shred.

PREMIUM FEATURES

Supreme® Wide-Mouth Feed Tube eliminates most precutting. SealTight™ Advantage lets you fill the workbowl to the top – no leaks.

SAFE AND EASY STORAGE

Durable, clear-view blade and disc holder locks to safely store food processor accessories.

11 Cups = 2.6 Liters

MODEL CFP-22GMPC

Cuisinart®

Elemental 11-Cup Food Processor with Accessory Storage Case

MASTER OF FOOD PREP

Cuisinart is still the name you count on to perfectly chop, mince, mix, purée, emulsify, slice and shred.

MADE FOR THE BIG JOBS

The powerful motor and large work bowl make it easy to power through the big jobs. Great for family meals and entertaining.

COUNTERS STAY CLEAN

Our exclusive SealTight™ Advantage seals bowl and locks in the blade assembly.

REDUCES PREP TIME

Less precutting – Supreme® Wide-Mouth Feed Tube lets you insert whole fruits and vegetables.

SMART STORAGE SOLUTION

Safely store blade, discs and disc stem in durable, lock-tight case.

OPERATES WITH ONE TOUCH

Just press High, Low, Pulse or Off.

STRESS-FREE CLEANUP

Wipe housing with a damp cloth and place removable parts onto the top rack of the dishwasher.

Limited 3-Year Warranty**
