amiibo

Power up your gameplay

A new way to play with your favourite characters

Interact with your favourite Nintendo characters!

Use amiibo in different ways in compatible software!

Build your own unique collection!

What are amiibo?

A new way to play with your favourite characters.

amiibo are interactive figures that can give you access to extra content or other features in compatible software.

Bring your favourite Nintendo character to life by tapping amiibo figures to the Wii U GamePad to interact with compatible Wii U games – no portal required! And, with the New Nintendo 3DS and New Nintendo 3DS XL, amiibo support is built-in.

If you wish to use amiibo on your Nintendo 3DS, Nintendo 3DS XL or Nintendo 2DS you will need an additional accessory that's due to be released in 2015. Stay tuned.

How it works

1

Choose your compatible game

2

Choose your **amiibo**

Wii U™

new NINTENDO 3DS

new NINTENDO 3DS XL

3

Tap to **connect**

A software update may be required to use amiibo functionality in amiibo compatible games.
A system update may also be required to use amiibo functionality.
Game, system and amiibo sold separately.

What can amiibo do?

Add a character to the game

Tap in to Super Smash Bros. for Nintendo 3DS and Wii U and your amiibo will appear as a "figure player".

Battle against amiibo fighters, team up with them, or send them in against your friends' amiibo fighters in a multiplayer battle.

Level-up or customise your amiibo

In Super Smash Bros., bring an amiibo into the action as a figure player! The more your figure players fight, the quicker they will increase in level. The higher your figure player's level is, the better its attack and defense stats will be!

Get bonus or special items

Tap in to Mario Kart 8 and unlock a special racing suit for your Mii Character.

And so much more

Tap in to Mario Party 10 to unlock amiibo mode where you can play using special character boards.

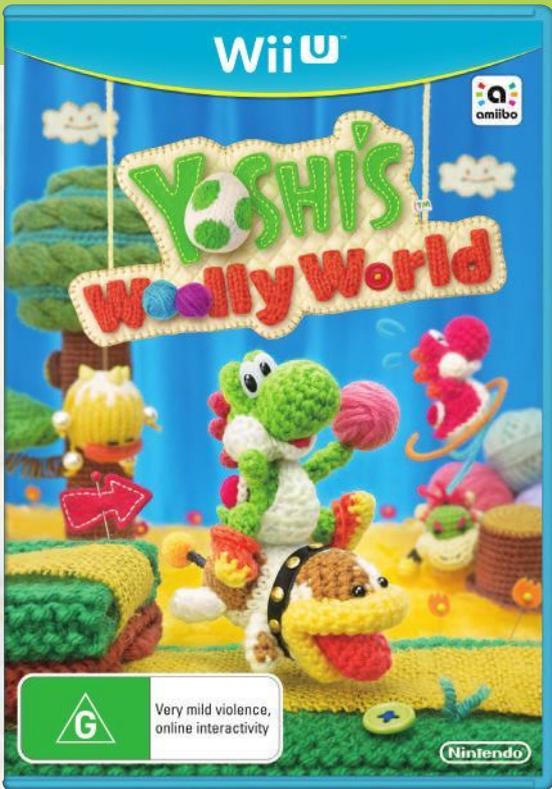

Supercharge your gameplay

Compatible games will work with amiibo figures in different ways.

The following are just a few examples >

Yoshi's Woolly World

Discover a wonderful woolly world!

Prepare for a magical surprise when tapping one of over 40 compatible amiibo to your Wii U GamePad, as Yoshi will transform in-game to assume the patterns of your favourite Nintendo characters!

Meanwhile, tapping a Yoshi amiibo or Yarn Yoshi amiibo to your Wii U GamePad will allow you to play solo with Double Yoshi – two Yoshis on screen!

Compatible with
over 40 amiibo

amiibo ×

Splatoon

Things are about to get messy!

Tap Inkling Boy, Inkling Girl or Inkling Squid amiibo to the Wii U GamePad to gain access to special challenge stages and earn special gear not found elsewhere in the game!

COMPLETE
amiibo
CHALLENGES!

Compatible with these amiibo from:

Splatoon
Collection

The Inkling Squid amiibo figure is available exclusively in the Splatoon amiibo triple-pack.

Kirby's on a roll in this 'clayful' adventure!

Tap the Kirby, Meta Knight or King Dedede amiibo to the Wii U GamePad to earn special power-ups! Use each amiibo once per day. Once you clear a stage successfully or fail to clear, Kirby's stats will go back to normal.

Power up Kirby with these 3 different amiibo!

Kirby Use the Star Dash power whenever you want, not just upon collecting 100 stars!

King Dedede Wear King Dedede's hat and get two extra health bars!

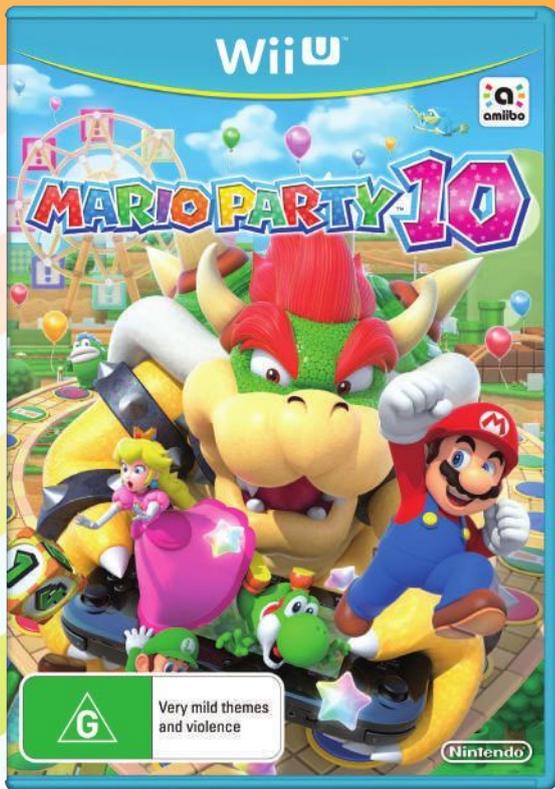

Meta Knight Wear Meta Knight's mask and fast dash through weaker enemies!

Compatible with these amiibo from:

amiibo × MARIO PARTY 10

Party on with your amiibo

Your amiibo becomes a game piece in the all-new amiibo Party mode!

ALSO AVAILABLE AS A BUNDLE:

Unlock themed boards

Tapping an amiibo to the Wii U GamePad lets players use that character as a game piece, as well as play on a game board themed to that classic character.

Game boards vary based on the amiibo used. On the Mario board, you might encounter an event where you use a Mushroom to suddenly grow or collect coins while defeating your rivals. On the Luigi board, you may have to suck up your rivals' stars and coins using the Poltergust!

Compatible with all amiibo from:

Compatible with these amiibo from:

Tap in any other amiibo to receive a Daily Bonus!

CRUSH your opponents with Super Smash Bros. for Wii U

In Super Smash Bros. for Wii U, amiibo can be trained up as your strongest ally – or your fiercest opponent!

Bring an amiibo into the action as a figure player, then fight alongside it or against it. The more a figure player fights, the more it'll level up and pick up tactics from opponents it fights!

Customise your amiibo as the ultimate sidekick, and level it up to CRUSH your opponents!

Train your amiibo to supercharge its stats and expand its abilities.

Fight your amiibo against a friend's to make them tougher and see who the best trainer is. Team up with your amiibo, or battle against friends in multiplayer amiibo action.

Compatible with all amiibo from:

NINTENDO 3DS™

New Nintendo 3DS only available in White in Australia and New Zealand.

amiibo × Xenoblade Chronicles 3D

Master powerful Combat Arts

Tap a **Shulk amiibo** once a day for an in-game collectible! Unlock an in-game model or song every day with a Shulk amiibo!

Earn in game tokens in Xenoblade Chronicles 3D by tapping a Shulk amiibo figure to the New Nintendo 3DS and New Nintendo 3DS XL. Tokens can be used to unlock music and animated 3D models of various characters.

Compatible with Shulk amiibo from:

amiibo ×

Join the forces of Code Name: S.T.E.A.M.

Tap any **Fire Emblem character** from the Super Smash Bros. series of amiibo to the New Nintendo 3DS and New Nintendo 3DS XL system to add them to your team and play as them in battle!

Each character adds a new dimension to gameplay by wielding weaponry pulled straight from the Fire Emblem series—like Marth's sacred sword, the Falchion, or Ike's blessed blade, Ragnell. If they fall in battle, amiibo characters must be tapped again in order to add them back to your team.

Compatible with these amiibo from:

CRUSH your opponents with Super Smash Bros. for Nintendo 3DS

Tap your amiibo to the New Nintendo 3DS or New Nintendo 3DS XL system to train it, power it up, or battle with and against it.

Train your amiibo to supercharge its stats and expand its abilities.

Customise your amiibo by adjusting its attack, defense and speed stats.

Fight your amiibo against a friend's to make them tougher and see who the best trainer is. Team up with your amiibo, or battle against friends in multiplayer amiibo action.

Battle your friends and their amiibo

All amiibo from the Super Smash Bros. Collection and Super Mario Bros Collection are compatible, except Toad.

Compatible with all amiibo from:

NFC reader/writer accessory

The NFC reader/writer accessory for Nintendo 3DS, Nintendo 3DS XL and Nintendo 2DS that can read amiibo figures and amiibo cards will also launch this spring.

NINTENDO 2DS™

NINTENDO 3DS™

NINTENDO 3DS XL™

amiibo-compatible games are separated into two types:

Read/write

Games that use the **read/write** functionality of amiibo can both save and read data to and from an amiibo.

Read

Games that use the **read** functionality of amiibo only read data from an amiibo.

An amiibo-compatible game can have either **Read-Write** or **Read-only** compatibility with an amiibo figure. An amiibo can save data for one game at a time, so game data will need to be deleted on an amiibo before it can be used with another game with read/write compatibility.
