

## 30" CLASSIC RETRO BY UNIQUE

### ELECTRIC CONVECTION RANGE

The 30" Classic Retro by Unique Electric Convection Range transports you back to the '50s with its iconic retro design and chrome finished accents. It has a 5 element sleek glass electric cooktop capable of an intense sear or delicate sauce simmering. This range also allows for convection cooking circulating heat for incredibly even distribution.

**Create a Unique Classic Retro Kitchen!**
