

SWISSGEAR 2689 16 Padded Laptop Sleeve - Charcoal Heather

Store your full size laptop and other devices safely and securely with the Swissgear 2689 16 inch Padded Laptop Sleeve. This soft-to-the-touch electronics protector is made with double-knit stretch nylon that feels great in the hand.

The main compartment is sized to fit laptops up to 16 inches, with generous padding and a wrap-around, baffled, interior edge for added protection against accidental drops and bumps. A second zippered and padded front pocket is designed to hold smaller tablets or other devices, and both pockets are lined with ultra-soft fleece to prevent scratches and scuffs.

- Generously padded, zippered sleeve protects laptops or tablets up to 16"
- Front, padded and zippered compartment is ideal to hold accessories or a small tablet
- Exterior double-knit stretch nylon is comfortably soft to the touch
- Both pockets are lined with ultra-soft fleece to protect against scratches
- 360° interior edge is reinforced to provide added protection against accidental drops
