FOR JEEP WRANGLER JL UNLIMITED (4-DOOR) MODELS 2018-2022 AND JEEP GLADIATOR JT 2020-2022

Built tough and made specifically for Wrangler and Gladiator, this amplifier mounting bracket makes it easy to mount an Audio Control, Stinger, Phoenix Gold or other amplifier under the seat in your Jeep.

Designed for Jeep

Designed to withstand harsh outside elements including water, dirt, dust and debris.

Better Performance

Add aftermarket amplifiers to upgrade your sound system.

Perfect Fit

Engineered to fit the Jeep seat mounting bolts.

Features:

- Fits 2018-2022 Wrangler Unlimited (4-door) and 2020-2022 Gladiator JT
- Predrilled and threaded amplifier mounting holes with supplied hardware simplify amplifier installation for select Audio Control, Phoenix Gold, and Stinger amplifiers
- Can be custom drilled to universally mount other amplifiers or Jeep accessories under the seat
- Made with 16-gauge corrosion-resistant steel with a corrosion-resistant powder coating to withstand harsh elements and prevent rusting
- Uses the rear legs of the seat to secure the bracket into position
- Lifetime Warranty
