# BERTAZZONI MASTER SERIES

## 30" DROP-IN LOW PROFILE COOKTOPS

QB30M 4 00 X

---

### HIGHLIGHTS

- Bertazzoni's exclusive dual control power burner in cast brass delivers high-efficiency performance from delicate low simmer to full power (750 – 18,000 BTUs) with best-in-class heat-up time.
- Cast iron pan supports of exclusive design allow sliding of cookware across the entire cooking surface. The stainless steel worktop is also seamless for easy cleaning and the sharpest look.
- Bertazzoni low profile drop-in cooktops sit almost flush over the countertop and present a seamless edge all around. The design integrates beautifully with the Bertazzoni line of convection ovens, specialty ovens and warming drawers.
- The one-touch, child safety ignition system lets you light and adjust burners with one hand.
- The thermocouple safety system automatically stops the gas flow if the flame goes out, even when electrical power is cut.

# INSTALLATION INSTRUCTIONS

QB30M 4 00 X

---

---

Bertazzoni recommends to operate the appliance after it has been installed in a cabinet.

The kitchen cabinets shall be made of materials capable of withstanding temperatures at least 117°F (65°C) above room temperature in order to avoid possible damage to the cabinets during appliance usage.
