

Open the compressed package carefully, do not use a sharp object.

Shake the cushion and flip over and shake it some more.

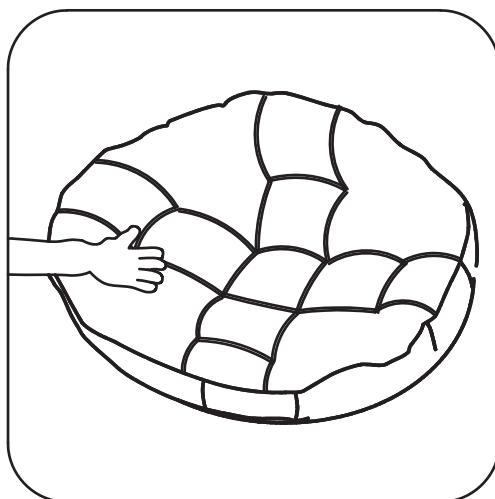

Put the cushion in a sunny spot for 2 hours at least.

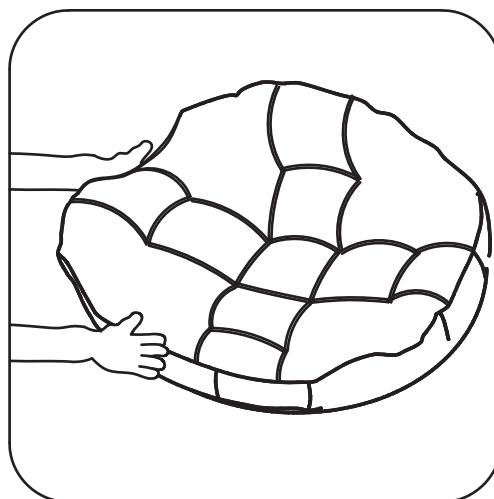

This will restore the cushion to its shape.

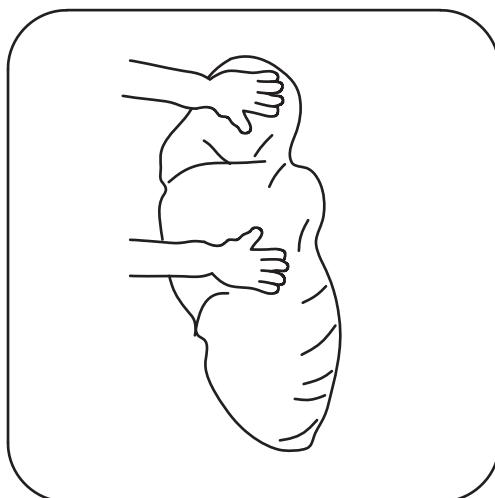

How to Fluff the Cushions?

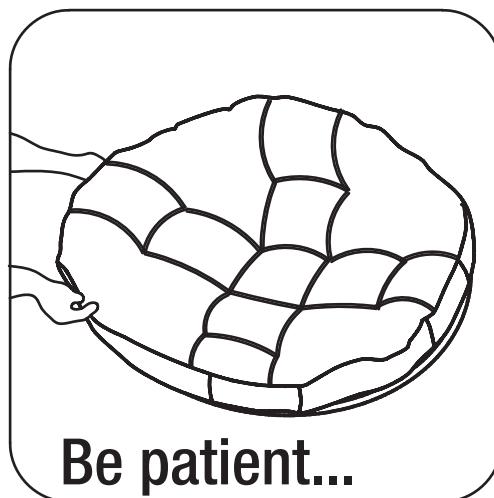

Hit

Squeeze

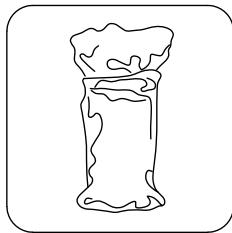

Fold

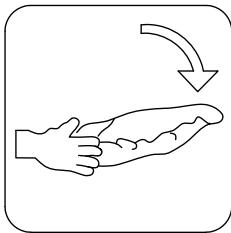

Be patient...

Wait for a few days

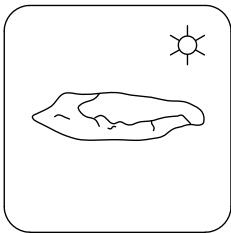

Wait for at least two days to see the cushion restored to its fullest state.

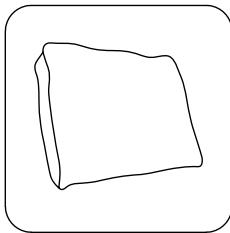

Ouvrez délicatement le paquet compacté; n'utilisez pas d'objet tranchant.

Secouez le coussin, retournez-le et secouez -le de nouveau.

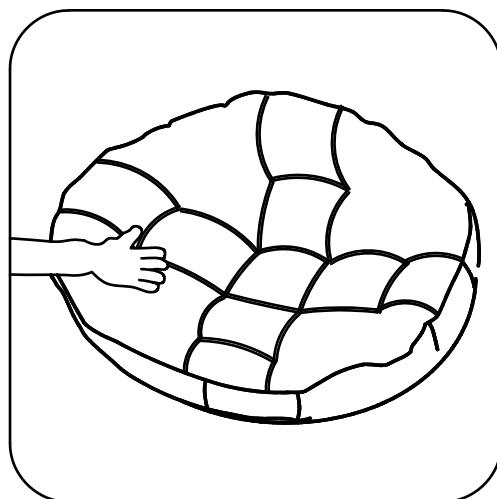

Mettez le coussin au soleil pendant au moins 2 h.

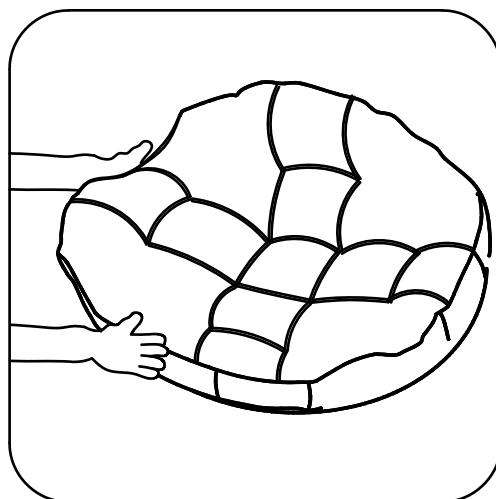

Le coussin retrouvera ainsi sa forme originale.

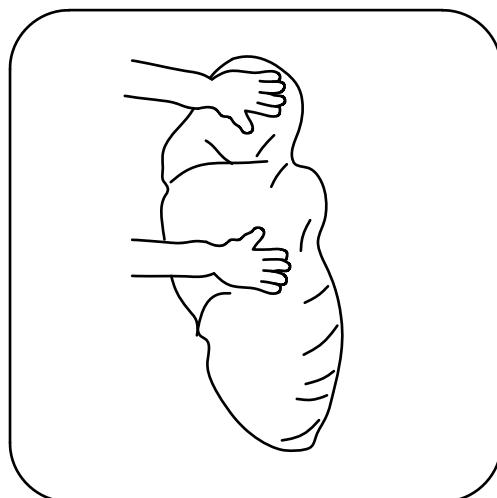

Comment donner du volume aux coussins?

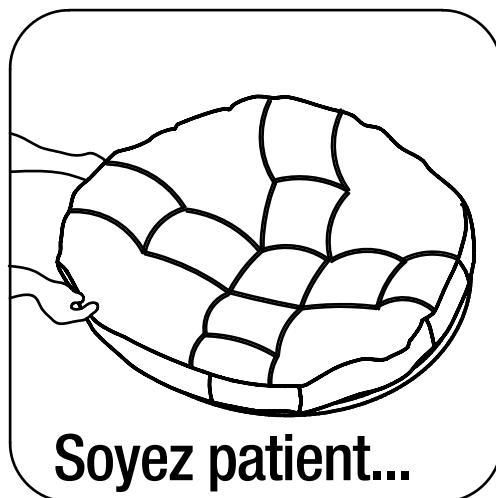

Tapez dessus

Pétrissez-les

Pliez-les

Soyez patient...

Attendez quelques jours

Il faudra au moins deux jours pour que le coussin retrouve son plein volume.
