

DD24STI7

Panel Ready DishDrawer™

Tall Single Dishwasher

This model is designed for extra headroom. The increased drawer height fits 12 plates, making cleaning up after dinner parties a breeze. The DishDrawer™ Tall dishwasher can also easily accommodate oversized platters and extra-long stemmed glasses. Product shown with custom cabinetry and handle. Door panel and handle not included. Apply your own cabinetry façade and handle.

Height	A 17 7/8 - 18 13/16"
Width	B 23 19/32"

Features & Benefits

Convenient

This model is taller than the standard DishDrawer™ dishwasher, so you can fit in large plates up to 13" in diameter. Racking is designed to hold long utensils and can fold away to free up space.

Efficient

This model has the choice of nine wash programs, including Eco options to minimize water and energy usage.

Innovative

Before washing begins, detergent passes through the world's first flow-through dispenser to ensure it is thoroughly dissolved, providing a faster, more hygienic wash with no hint of detergent burn.

Ergonomic

The DishDrawer™ is as easy to open and close as a kitchen drawer and conveniently positioned at countertop height so loading and unloading requires minimal bending. Easy-to-use folding tines allow you to place large pots, platters and bowls into the drawer with ease.

Safe

For added safety, a key lock and child lock are included and DishDrawer™ has three stage flood protection.

Ecofriendly

This dishwasher uses only two gallons of water on a Normal Eco wash program and is ENERGY STAR rated CEE tier 1 for energy efficiency and cleaning and drying performance.
