

ZUS

Smart Car Charger

Car Finder, Mileage Log, and more.

nonda®

nonda's ZUS Smart Car Charger provides 2X faster charging than average car chargers and has a companion iOS/Android app that adds a suite of smart features.

Once connected, use the app to find your car, share your location, get parking meter alerts, log your mileage and monitor your car battery health.

ZUS App Features

Find Your Car

The app automatically saves your parking location. Manually drop a pin to mark parking location in multi-story or underground lots. Find your car with map or compass view.

Log Mileage

Track mileage, time and savings potential for each drive. Swipe to categorize business drives for tax returns.

Monitor Car Battery

See car battery voltage and get alerts when a battery check is recommended.

Share Location

Share parking location with your spouse or friends. Stop sharing at any time.

Get Parking Meter Alerts

Set a parking timer to alert you 10 minutes before time runs out.

Award Winning App Suite

Enjoy ZUS, The world's most highly awarded driving app.

ZUS

Smart Car Charger

Car Finder, Mileage Log, and more.

nonda®

Battery Health Monitor

Identifies potential car battery issues by tracking voltage over time.

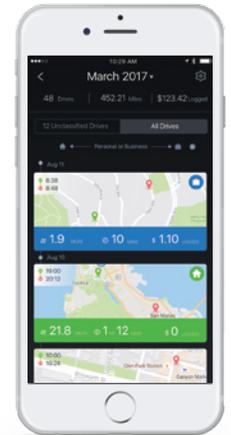

Parking Meter Alert

Prevents parking tickets by tracking the time left on the meter.

Mileage Log

Saves time and money by logging business mileage for each trip.

Car Charger Features

Ultra-Fast Charging

Charge two high wattage devices 2X faster than average car chargers.

Device Detection Technology

Identifies the type of mobile device being charged and sends the fastest possible charge.

2 Reversible USB Ports

Compatible with USB-A cables. For best results use Quick Charge-enabled devices.

Visible In Darkness

ElegantShine™ lighting for increased visibility in dark environments.

Military-Grade Quality

Premium German Bayer PC material and titanium coating capable of withstanding extremely hot weather.
