

Carcassonne is the perfect introduction to the modern world of board games. With its simple rules (place a tile, place a meeple, score points), beautifully illustrated tiles, and iconic components, this modern classic should be part of everyone's collection.

Key Selling Points

- Completely redesigned rulebook to make learning the game easier
- Introduces **The Abbot** mini-expansion and a new version of **The River**
- Game and expansions have sold over **10 million** copies worldwide
