EMPOWERING INDEPENDENCE

IN ORAL CARE

We understand that daily oral care can sometimes feel like a challenge, especially for individuals with intellectual or physical disabilities. That's why we created Samba – to help you or your loved ones brush with ease and confidence. By cleaning teeth automatically and simultaneously in just 60 seconds, Samba transforms oral care into an empowering, stress-free experience.

Key Features and Benefits

WHY CHOOSE SAMBA?

INDEPENDENT CLEANING

With one press, Samba eliminates the need for hand movement.

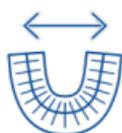

GENTLE

20,460 soft bristles embrace the teeth for a thorough clean.

TIME-SAVING

Cleans all your teeth in just 60 seconds – only 30 seconds per jaw.

COMFORTABLE FIT

Elastic brush head adapts to the mouth, making it suitable for both adults and adolescents above the age of 13.

BATTERY LIFE

Lasts up to 25 days per charge.

How It Works

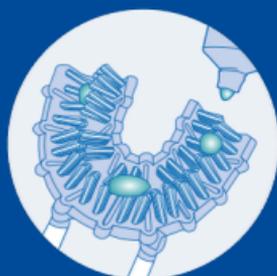

SIMPLE. EFFECTIVE. GENTLE.

Samba's innovative cleaning technology combines precision-engineered micro-brushes with oscillating motion to gently clean every surface of each tooth. Its 20,460 soft bristles automatically remove plaque from front, back, and chewing surfaces in one motion, ensuring a thorough clean with minimal effort.

STEP 1:

Connect the brush head.

STEP 2:

Apply toothpaste in 3 locations.

STEP 3:

Place the brush in your mouth and press the button.
Relax while Samba cleans all tooth surfaces in just 60 seconds.

Testimonials

HEALTHIER SMILES, BETTER QUALITY OF LIFE

“Before Samba, brushing my brother’s teeth was a challenge for both of us. Now, he can do it on his own. Seeing his confidence grow and knowing his teeth are clean has been a huge relief for our family.”

Crystal Spring,
Executive Director of Smiles Across Montana

“As both a father and a dentist, the Samba toothbrush has been a game-changer. It maximizes independence and improves oral care efficiency, making life easier for users and caregivers alike.”

Jacob Dent,
Special Needs Warrior Doc
