

Sunpak

Essentials Vlogging Kit

With 6 Inch USB-Powered Bi-color Ring Light, 2 Ball Heads, Tabletop Light Stand and 3 Smartphone Mounts

Everything you need to capture great vlogging videos with multiple smartphones

Highlights

The new Sunpak Essentials Vlogging Kit is designed for the Vlogging enthusiast where space may be limited. The kit comes with a 6 inch ring light, 2 ball heads, adjustable stand which extends from 25" to 33.5" high as well as three smartphone mounts to enable you to get the perfect videos from any angle. The ring light is powered by USB and its light intensity can be adjusted via the remote which is built into the cord. The smartphone mounts can support phones up to 3.5 inches wide and can be used in portrait or landscape modes. A must for any indoor and tabletop vlogger.
