

tile

UPDATED

SLIM (2020)

📶 200 ft | 60 m Ⓡ 3-year battery

Sleek finder for narrow spaces

The updated Slim is made for special use cases that require a low profile design. Now with a longer 200 ft range and louder ring.

Long Life

The 3-year battery provides long-term convenience. Then Slim is eligible to be replaced at a discount.

Discreet

Slim slides into hidden spots or has an unobtrusive low-profile on your devices.

Thin

The width of just two credit cards so it easily slip into narrow spaces or lays flat on expensive devices.

How It Works

Get started

Download the Tile app and follow the simple in-app instructions to activate your Tile.

Ring your things

Use the Tile app to ring your Tile if nearby, or see its location on a map if far away.

Find your phone

Double press the Tile button on your Tile to make your phone ring even when it's on silent.

Use community find

Get anonymous help finding your Tiles from the Tile community. *The Tile app running on their phones will send location updates to your app, letting only you know where your Tile is.*

Sharing

Share your Tiles in the app with family and friends to increase your finding power.

Smart home integration

Tiles work with Amazon Alexa and Google Assistant to make finding easier than ever.
