

Monitor | B276HUL

Flexible viewing, professional style

- 27" WQHD Acer ComfyView display: shows brilliant widescreen visuals
- Ergonomic stand: adjustable tilt, swivel, pivot and height
- 2560 x 1440 resolution
- Earth-friendly: recycled plastic, LED backlight, Acer EcoDisplay
- Extensive connectivity: DisplayPort™, DVI and USB 3.0

The Acer B276HUL monitor offers top ergonomic design with multi-function stand and reflection-free Acer non-glare display. The B6 monitors are easy to adapt to personal needs and to integrate into any office environment, featuring flexible height adjustment, tilt, pivot and swivel foot-stand.

Height adjustment design comforts different users with different desks, and it can be easily adjusted at any level by simple push or lift.

The B276HUL offers a unique visual experience due to 2560 x 144 resolution.

The B276HUL 27" display provides multiple interface options, including DisplayPort and traditional DVI/VGA, as well as 4 USB 3.0 ports, one of them with power-off charging.

The Acer Eco-Display technology used in B6 series help to minimize environmental impact and reduces total costs of ownership (TCO).

Specifications

Speaker	2 x 2 W	
Power supply (100 – 240 V)	Internal	
Power consumption (ENERGY STAR®)	Off	0.45 W
	Sleep	0.49 W
	On	38 W

WQHD LED monitor

The 2560 x 1440 resolution of this LED monitor delivers excellent detail, making it perfect for advanced HD productivity and multimedia applications. LED monitors also consume less power and last longer than those with CCFL lamps. In addition, this monitor is mercury-free, making it safer for you and the environment.

Acer Eco Display

Acer monitors using white LED backlight technology minimize environmental impact while providing superior performance. White LED monitors do not contain mercury, making them safer for the environment. They also consume less power and are more durable than CCFL lamps, for good savings. Plus, as part of our commitment to sustainable operations and CSR, Acer uses methods to carry out product design and material management distinctly meant to reduce environmental impact.

ComfyView

ComfyView

Acer ComfyView monitors reflect less ambient light to deliver vivid colors, reduced glare and more comfortable viewing, even over prolonged periods.

ErgoStand

The ergonomic design of this monitor optimizes the viewing position for maximum comfort even during prolonged use.

- Height: 150 mm up or down
- Tilt: 35° up or 5° down
- Swivel: 60° to the left and right
- Pivot (rotation): Up to 90°

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2012 revenues reached US\$14.7 billion. Please visit www.acer.com for more information.
