 Fast & Free Delivery

- MI-7851 is compatible with most printers and monitors on the market
- Non-skid EVA foam feet helps protect your desktop surface
- Included storage grooves free up desk space
- Customizable height allows you to have a more comfortable work environment

OVERVIEW

The MI-7851 height adjustable stand can fit most printers or monitors on its large platform. Customizable height helps you have a more comfortable work environment. Store supplies underneath the stand to save space on your desk and in your office. Raise your monitor to help prevent neck and back pain. The front and side grooves can help hold extra office supplies. Keep your cables neat and tidy with the cable management feature on the back of the stand. The non-skid EVA foam legs help protect your desktop surface and securely holds your stand and equipment in place.

SPECIFICATIONS

- Compatibility: Suggested screen sizes - 13" - 32"
- Weight capacity: 22 lbs
- Dimensions: 19.25" W x 12.62" D
- Height-adjustability: Up to 6.6"
