

LEGION Y545

LAPTOP GAMING, REFINED.

Packed with performance and features typically unavailable in mobile form factors, the Legion Y545 Laptop comes with 9th Generation Intel® Core™ processors to deliver desktop-like performance in a conveniently portable package. Its breathtakingly sleek aluminum design and latest generation specs guarantee you serious power when you are gaming, delivering more muscle per millimeter than any 15" before it. Thermally optimized to run cooler and quieter with a full-sized white backlit keyboard makes the Lenovo™ Legion Y545 Laptop primed for those who demand gaming wherever life takes them.

WHY YOU SHOULD BUY THE LENOVO LEGION Y545

Gaming has a new look

At 1.1" thin and 5.2 lbs light, the Lenovo Legion Y545 Laptop was redesigned to deliver the ideal balance between epic gaming performance and practical portability.

Focus on the game

The Legion Y545 laptop's 15.6-inch display provides a near-edgeless visual experience, thanks to bezels that are considerably thinner than previous generations. You can keep your eyes where the action is—the FHD graphics, rendering in more than 2 million pixels at refresh rates up to 144 Hz.

Precision engineering, you can touch

The Lenovo Legion Y545 Laptop delivers a full-sized, white backlit and high-response keyboard and number pad to your hands with 1.7 mm of key travel for the most ergonomic and comfortable gaming experience.

Winning combination - 9th Gen Intel Processors + NVIDIA GeForce RTX 2060

Powerful 9th Generation Intel Core i7 Processors guarantee you serious power for gaming. Plus, the NVIDIA GeForce RTX 2060 discrete graphics card brings you blazing-fast performance that gets the job done.
