

# LIFX

LIGHTING  
REIMAGINED.

## Z EXPERIENCE KIT (US)

—

The brightest Wi-Fi enabled LED light strip with blended light zones, millions of beautiful colors and whites—**no hub required.**

### FEATURES

**Easy set up.** LIFX Z strips plug into the wall then use a sticky adhesive to allow you to place them exactly where you want. Simply download the app, connect to Wi-Fi and you're ready to go.

**Built in Wi-Fi & LIFX Cloud.** Offers full lighting control via Wi-Fi and Cloud through our LIFX iOS, Android and Windows 10 apps.

**Adjustable and dimmable.** Connected lighting for your space, time of day, and mood. Choose from 16 million colors and a full range of warm to cool whites with flexibility to dim the light too. Experience how subtle adjustments in tone and brightness can enhance the comfort of any room.

**Custom Zones.** Let your imagination run wild with 8 individually addressable color/white zones per meter. Create patterns and custom waveforms to express your creativity.

**Fit to length.** LIFX Z can be adjusted to your preferred length to ensure the best fit for your home.
