| **100-Word Product Description** | The CORSAIR GLAIVE RGB PRO gaming mouse merges high performance with high comfort, designed with a contoured shape ideal for extended gaming sessions. An ultra-accurate native 18,000 DPI optical sensor and high-performance Omron switches rated for more than 50 million clicks ensure that you're always on top of your game. Choose between three included interchangeable thumb grips for a perfectly tailored fit. Take control with CORSAIR iCUE software to customize RGB lighting across three lighting zones and synchronize it with your entire system. Take your settings with you wherever you go with onboard profile storage, without the need for drivers or additional software. Play harder and win more with GLAIVE RGB PRO, because precision is power. |
| **50-Word Product Description** | The CORSAIR GLAIVE RGB PRO gaming mouse merges high performance with high comfort, designed with a contoured shape ideal for extended gaming sessions. An ultra-accurate native 18,000 DPI optical sensor and high-performance Omron switches rated for 50 million clicks ensure that you're always on top of your game.
