COLORTRAIL

AKIT2DR | AKIT4DR

INTERIOR AMBIENT
LIGHTING KITS

Thanks to its flexible design, COLORTRAIL can easily fit into any space or configuration, making it perfect for everything from off-road adventures to boat lighting or showcasing your vehicle at a car meet. These lights are engineered for both style and longevity, turning heads wherever you go.

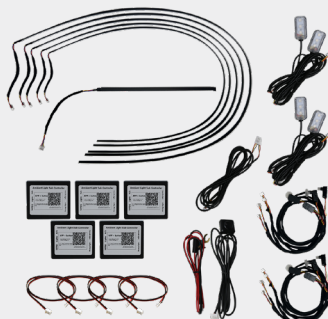

With COLORTRAIL, your ride will not only stand out but also be equipped with a high-performance lighting solution that is built to last.
