

General Warranty Overview

ASUS manufacturer's warranty is a limited warranty. Hardware, manufacturing, or power related issues are covered under this limited warranty. This limited warranty does not cover any third-party software applications and or programs; non-ASUS products and or non-ASUS branded peripherals.

ASUS guarantees that the product you have purchased is free from defects in materials or workmanship under normal use during the Limited Warranty Period. You are entitled to a hardware warranty service if a repair is required within the limited warranty period.

During the limited warranty period, ASUS will, at its sole discretion, repair or replace any defective component. All spare-parts or module removed under this limited warranty become the property of ASUS.

Warranty service does not include:

- New retail box replacement
- Credit
- Upgrades or model changes
- Refunds

Warranty period varies between products. Warranty period begins from manufacturer date unless otherwise noted. To check manufacturer date of your product
