soothe them to sleep from **anywhere**

Soothe your child to sleep and never miss a peep, wherever you are, with the Motorola All-in-One Smart Soother and Audio Monitor. Simply download the Hubble app to your compatible smartphone or tablet and you'll be able to listen to your child from anywhere in the world. Calm your little one when they're upset with the 3-color night light or one of 10 soothing sounds and 10 audiobooks. Plus, download additional lullabies, soothing sounds, and audiobooks from the Hubble app. The two-way communication feature lets you both hear and speak to baby from wherever you are, and sound activity tracking shows you when your child is quiet and when they're noisy, helping you better understand their sleeping patterns. Motorola All-in-One Smart Soother and Audio Monitor. Soothe them to sleep from anywhere.
