SAFEGUARD STATEMENTS

READ ALL INSTRUCTIONS BEFORE USING.

- This product is for household use.

When using electrical products, especially when children are present, basic safety precautions should always be followed, including the following:

DANGER:

To reduce the risk of electrocution:

- Do not handle the user supplied USB charger with wet hands.
- Do not place or drop the user supplied USB charger into water or other liquid.
- Check the charging cord and user supplied USB charger for damage before the first use and during the life of the product.

WARNING:

To reduce the risk of burns, electrocution, fire, or injury to persons:

- Use this product only as indicated in these instructions or as recommended by your dental professional.
- A user supplied USB charger with the following specifications is required to charge this product: USB Type-A, Rated Output: 5.0 VDC, 1.0 A.
- Do not plug this device into a voltage system that is different from the voltage system specified on the device or charger.
- Keep the charging cord and user supplied USB charger away from heated surfaces.
- Unplug USB charger when not in use.
- Do not use the Water Flosser for more than 5 minutes in each two hour period.

- Do not direct water under the tongue, into the ear, nose or other delicate areas. This product is capable of producing pressures that may cause serious damage in these areas. The potentially deadly amoeba, *Naegleria fowleri*, may be present in some tap water or unchlorinated well water and may be fatal if directed into the nose or ear.
- If your physician advised you to receive antibiotic premedication before dental procedures, you should consult your dental professional before using this product or any other oral hygiene aid.
- Fill reservoir with warm water or other dental professional recommended solutions only.
- Do not use iodine, saline (salt solution), or water insoluble concentrated essential oils in this product. Use of these can reduce performance and will shorten the life of the product.
- Only use tips and accessories that are recommended by Water Pik, Inc.

- If the Pik Pocket™ tip (not included in all models) separates from the shaft for any reason, discard tip and shaft and replace with a new Pik Pocket™ tip.
- Do not drop or insert any foreign object into any opening on the product.
- Do not use this product outdoors or operate where aerosol (spray) products are being used or where oxygen is being administered.
- Remove any oral jewelry prior to use of this product.
- Do not use if you have an open wound on your tongue or in your mouth.
- There are no consumer serviceable electrical parts in this product and it does not require maintenance.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

BINDING ARBITRATION AND WAIVER OF RIGHT TO ASSERT MATTERS IN COURT AND RIGHT TO JURY TRIAL

CLEANING

Never immerse unit in water. Before cleaning, unplug from the electrical outlet. Clean the product when necessary by using a soft cloth and mild nonabrasive cleanser to wipe exterior. The water reservoir is removable for easy cleaning. It is recommended that the reservoir is removed and cleaned weekly.

BATTERY RECYCLING

**Warning:** The battery of this product is not replaceable. Please do not disassemble the product unless you want to dispose it. Otherwise the warranty service will be void.

This product contains a **rechargeable Lithium-ion battery** and electronic waste. In order to protect the environment, please do not dispose along with household waste. When the battery life ends, please recycle according to local administrative regulations. Please contact local waste administrative department for any questions.

By purchasing, installing, or using this product you agree that any controversy or claim arising out of or relating to your purchase, use, modification, installation, or removal of this product shall be settled by binding arbitration. The arbitrator's decision will be final and binding. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction over the matter. Further, you agree that you will not have the right to litigate any claim arising out of or in relation to your purchase, use, modification, installation, or removal of this product in any court or to have a jury trial on that claim.

Arbitration of any matters shall be administered by the American Arbitration Association and conducted by one arbitrator in accordance with the consumer arbitration rules of the American Arbitration Association in effect at the time of filing of the demand. The venue for all such arbitrations shall be Colorado and any such arbitration shall be subject to the Federal Arbitration Act and Colorado law.

WAIVER OF RIGHT TO PARTICIPATE IN CLASS ACTIONS OR PURSUE CLAIMS IN A REPRESENTATIVE CAPACITY.

Further, by purchasing, installing, or using this product you agree that arbitration must be on

an individual basis. This means neither you, nor we, may join or consolidate claims in arbitration by or against other purchasers or users of Water Pik, Inc. products or the general public.

Additionally, you may not litigate in court or arbitrate any claims as a representative or member of a class or in a purported representative capacity on behalf of the general public, other purchasers or users of this product, other persons or entities similarly situated, or in a private attorney general capacity.
