### **PRODUCT OVERVIEW**

Create limitless memories with the EOS M200 interchangeable lens camera. Equipped with a 24.1 Megapixel CMOS (APS-C) sensor, Eye Detection AF and enhanced Dual Pixel CMOS AF, the EOS M200 makes it easy to capture high-quality images and videos, all in a compact, mirrorless design. Perfect for social media sharing, the EOS M200 boasts 4K video capability, vertical video support and built-in Wi-Fi® and Bluetooth® technology — helping you relive your favorite moments. Designed for ultimate creativity, the EOS M200 offers simple-to-use features that let your personality shine. Explore the camera's creative filters to add a splash of color and special effects to your images, or use the Creative Assist function to easily adjust brightness and color tone. The EOS M200's Visual Guide also provides helpful tips and tricks that make navigating the camera a breeze. And for selfie-enthusiasts, this camera is on point, featuring a Self Portrait Mode and a 3.0-inch tilt-type LCD that rotates 180°, helping you capture every angle with ease. With the EOS M200 interchangeable lens camera, inspiration will always be at hand.
