

# DC500

## High Rise Mobile Adjustable Standing Desk

### High Rise Collection™

The High Rise Mobile Adjustable Standing Desk gives you the ergonomic benefits of a sit to stand desk plus the mobility of a cart. Wherever you need to go, your desk can follow. Rising to 44" and lowering to 29", the standard sitting height, the DC500 Mobile Sit-Stand Desk is the perfect ergonomic solution to your adjustable desk needs. The large work surface can accommodate a computer, keyboard and desktop necessities such as files, notes, calculator, or phone. This multi-functional table can be used in multiple settings, including office, classroom, production set, crafting, workshop, warehouse, flea market, lectern, healthcare, and any other application where mobility and variable height adjustment helps get the job done.

Sleek wood construction with a durable laminate coating, and strong steel base provide years of use with a modern style.

1 year warranty.
