

Put the world in your palm.

Get the whole story with the 360° camera that captures every angle in 4K brilliance. With four times the resolution of regular HD and a design that fits in your pocket, you can take in the whole scene in a single take. Capture everything on a road trip, in a festival crowd, or at a family reunion, then edit and share in an instant.

Tell the whole story.

Capture life as it happens in the stunning clarity of 4K video and 15MP photos. Dual 180° lenses work in tandem to provide a seamless 360° picture, so you get every perspective in one take.

Take it anywhere.

Gear 360 was built to go places. It's easy to hold, shoot, and take with you. Plus, with an IP53 water-resistance rating, the Gear 360 can handle a splash.¹

Seamless sharing

Share your Gear 360 experiences straight to Facebook, YouTube, and Samsung VR with your Galaxy S8 or S8+.² Use your Samsung Galaxy or iOS smartphone³ to control your camera remotely. Plus, an easy-to-use app lets you preview and edit your Gear 360 videos before you share.

Go back to the moment with VR.

The Samsung Gear VR immerses you in the moments you capture with Gear 360. Upload your photos or videos to Samsung VR to experience them in virtual reality. Then share them with far-flung friends and family.

¹Certified IP53 for protection against harmful deposits of dust and against water sprayed at any angle up to 60° from the vertical.

²Live broadcast supports up to 2K resolution video. Compatible with Galaxy smartphones only.

³Compatible with the following Samsung Galaxy smartphones: USB Type-C: Galaxy S8 and Galaxy S8+; microUSB: Galaxy S7, Galaxy S7 edge, Galaxy Note5, Galaxy S6, Galaxy S6 edge, and Galaxy S6 edge+. Also compatible with the following iOS devices: iPhone 7, iPhone 7 Plus, iPhone 6s, iPhone 6s Plus, iPhone SE. Compatible with Windows and Mac computers.
