## **Ring Protect Contact Sensor**

Expand your Ring Protect Kit and add an extra layer of security to your home with Protect Contact Sensors. Attach Protect Contact Sensors to any door or window frame in your home or apartment, and you'll get instant alerts when your doors or windows are opened. And with its simple setup, you can install your Contact Sensor in just a few minutes without any tools.

### **Expand Your Ring Protect Kit**

The Protect Contact Sensor is only compatible with the Ring Protect Base Station.

### **Instant Mobile Alerts**

Get alerts on your phone, tablet and PC when doors or windows are opened in your home or apartment.

### **Smart Security in Your Hands**

Monitor your home from any iOS, Android, Mac and Windows 10 device.

### **Easy Installation**

Easily mounts to door and window frames with no tools or professional installation required.

### **Wide Range and Battery-Powered**

The Protect Contact Sensor includes a 3V lithium battery and features a 250-foot operating range.
