Super-size your productivity, while streamlining your home office workspace, with the Targus VersaLink™ Dual HD Video Universal Dock. Designed for universal compatibility, this dock connects dual HD monitors or a single 2K monitor, and offers plenty of connections for the peripherals you use most—keyboards, mice, external drives, printers, and more. A security lock slot keeps the dock secure, and a slanted design enables a comfortable typing angle for laptops. It's all in a compact footprint that's about half the size of a traditional dock. Handy connections, with less clutter.
