

TRUE GLOW®
THERMAL PARAFFIN BATH
MOISTURIZING SYSTEM
PB8NRF

Soften and smooth.

The relaxing warmth of the True Glow® Thermal Paraffin Bath Moisturizing System immediately revitalizes the rough, dry skin on hands, elbows and heels. A deeply exfoliating and hydrating spa treatment. Simply peel off the wax and discover your new soft skin.

- Heated wax treatment
- Alleviates dryness and decreases the signs of aging and sun damage
- Dip hand, elbow or heel several times to create a wax covering, then peel away wax to reveal softer, smoother-looking skin
- Unscented wax smooths and softens skin
- Includes 1 lb. of wax
