

HM-8GR

Cuisinart® Power Advantage Deluxe 8-Speed Hand Mixer with Blending Attachment

Cuisinart turns its powerful 8-speed hand mixer into a virtual kitchen prep center! An electronic speed control with a digital display makes it easy to operate a full range of mixing speeds, from slow start for stirring to lightning fast for whipping. And the Automatic Feedback features kicks in more power if needed. A second port on the mixer head accommodates a blending shaft that turns this mixer into a stick blender that can puree and blend right in a bowl or pot. The port also powers an optional 2-cup chopper/grinder attachment for users that want to do even more with their mixer. Nobody does multifunctional better than Cuisinart!

- Extra outlet for blending and chopping attachments - blending shaft attachment included
- 250 watts of power with automatic feedback/DC motor
- SmoothStart® feature eliminates splattering
- One-step power switch with LED speed display
- Easy-to-use speed control and beater eject lever
