Trust the #1 typing tutor for 30 years running. Give yourself a competitive edge. Improved typing skills will strengthen your professional work and personal hobbies

1

SET YOUR PERSONAL GOAL

Success-based learning begins with setting a personal challenge level for speed and accuracy that you want to achieve as you complete lessons.

2

LEARN GOOD POSTURE HABITS

A virtual model demonstrates correct body and hand position.

5

BUILD YOUR SKILL BY USING IT

For each lesson you complete, a corresponding skill check uses real-word typing challenges to ensure your progress.

6

PRACTICE EXCELLENT TYPING

Practice speed and accuracy with the Game Zone and timed typing tests.

3

PRACTICE YOUR TYPING TECHNIQUE

Video and interactive graphics teach you typing technique, finger names and home row position.

7

CELEBRATE YOUR SUCCESS

After just 8 hours of using this software, you can master typing basics and more!

4

LEARN NEW KEYS ONE STAGE AT A TIME

Systematically develop new keystrokes, blending them into pairs, chains, words and sentences.
