

MODEL NUMBER CGG-288

MODEL NAME Prep 'N Go Folding Gas Grill

LONG DESCRIPTION

The Cuisinart Prep 'n Go Folding Gas Grill is designed for ultimate portability, food prep, storage, and cooking all in one. When folded, the grill measures 27.8" L x 22.3" D x 15.1" H, making it the most compact tri-fold grill available—saving valuable trunk space for other essentials. Cook up to 17 burgers at once with 285 sq. in. of cooking space on durable cast iron grates. With 18,000 BTUs of cooking power, this grill is perfect for camping, tailgating, or any on-the-go grilling. The large 24" x 12" prep table eliminates the need for a separate table, giving you plenty of room for food prep and staging. A removable storage tote underneath the prep area keeps your party essentials like plates, bowls, and utensils organized, and folds away with the grill when you're done. The wheels and built-in handle allow for easy mobility, so you can easily wheel the grill to your campsite, tailgate, or backyard gathering.

BULLET

COMPACT FOLD: Grill folds down to just 27.8" L x 22.3" D x 15.1" H, making it the most compact tri-fold grill available.

FOOD PREP AREA: Built-in 24" x 12" prep table means no extra table is needed for food prep and staging.

COOKING PERFORMANCE: Cast iron grates offer 285 sq. in. of cooking space with 18,000 BTUs for great grilling performance. No need to sacrifice performance for portability!

ULTRA PORTABILITY: With a built-in handle and wheels, this portable grill is ready to be wheeled to wherever you need.

STORAGE TOTE: Includes a removable storage tote for your condiments and other grilling essentials. Folds away with the grill for easy transport.
