

BE Free8

NU FORCE

TRULY WIRELESS PREMIUM EARBUDS

Free yourself.
Go truly wireless.

The NuForce BE Free8 truly wireless earbuds are engineered to deliver the best truly wireless sound experience, integrating premium audio and design technologies to deliver crystal clear sound, with no lag or connection issues. Combining advanced audio coding and connection technologies, the BE Free8 brings you superior Hi-Fi sound and robust reliability unmatched by any other truly wireless earphones today.

Features:

- **Mind-Blowing Sound Quality:** The BE Free8 earphones are compatible with both AAC and aptX® LL technologies to provide high fidelity audio to any of your devices including iPhone® and Android™. It also features dynamic drivers with NuForce proprietary Sonic coating, a razor thin and strong coating of several refractory metals for close-to-perfect piston movement, ensuring you experience lightning-fast transient response and ultra-low distortion.
- **Comfortable, Elegant Design:** With stylish and robust enclosures, these ergonomic earbuds with exclusively designed SpinFit 360-degree rotation ear tips are designed to provide a secure and comfortable fit. Each pair comes with two different shapes and multiple sizes to ensure a great fit.
- **No More Spotty Connections:** Unlike most truly wireless headphones which rely solely on Bluetooth, NuForce BE Free8 also leverages NMFI (Near-Field Magnetic Induction) so you maintain a reliable connection between the two earpieces. Carefully engineered antenna placement provides you with a reliable Bluetooth range of 33 feet or more.
- **Full Headphone Functionality:** These multi-functional truly wireless earbuds have a built-in CVC noise-canceling microphone for calls. Activate Siri and the Google Assistant with the push of a button to play, pause and skip songs – the same robust functionality as the wired headphones you're used to.
- **Durable & Sweat Proof:** With an IPX5 rating, the BE Free8 is water and weather resistant, ensuring protection from rain and sweat – ideal for your active lifestyle.
