new Gold Wireless Stereo Headset

HOW GAMES WERE MADE TO SOUND

The new Gold Wireless headset was designed to deliver enhanced comfort and performance while maintaining the amazing gaming audio experience you've come to love. Refined over-ear cushions and sleek design keep you comfortable for long play sessions. High-fidelity 7.1 virtual surround sound breathes new life into the urban jungles and alien worlds you explore. Augmented noise-canceling hidden microphones provide crystal clear communication with friends and teammates. Experience games as the developer intended through the Headset Companion App, with audio modes tuned by developers exclusively for PlayStation®4 systems. Designed to fit seamlessly with PlayStation®VR, experience the stunning worlds of VR in comfort and audio immersion like never before.
