The **Sudden Strike 4: Complete Collection** offers fans the ultimate World War II strategy experience, containing the main **Sudden Strike 4** game plus all five previously released DLCs: **Battle of Kursk**, **Road to Dunkirk**, **Finland – Winter Storm**, **Africa – Desert War** and **The Pacific War**.

This **Complete Collection** sends you off on 11 extensive campaigns, with over 45 missions and more than 200 different units, set amongst the battlefields of World War II.

- **Sudden Strike 4: Complete Collection** offers realistic real-time strategy gameplay with tactical depth and a historical setting across 11 campaigns.
- Contains all free content updates available, with over 10 new maps and gameplay refinements.
- **Road to Dunkirk** features 4 new missions, 2 new commanders and 10 all-new units, as well as additional buildings and ships.
- **Finland - Winter Storm** features 6 new missions, 3 new commanders, and 19 all-new vehicles, along with additional buildings and units.
- **Africa – Desert Storm** features 6 new missions, 5 new commanders, and 30 new vehicles, including a medical truck.
- **The Pacific War** features 10 new missions, 6 new commanders, and over 50 new vehicles, including aircraft carriers.
- Pit yourself against other commanders or challenging enemy AI enemies in competitive **multiplayer modes**.
