

CPO-800P1

Cuisinart® PurePrecision™ 8 Cup Pour-Over Coffee Brewer

Kick your premium coffeemaking up a notch with a coffee-bar quality brewer that deliver gourmet, coffee-bar quality flavor! This precision brewing technique provides superior flavor extraction, and has earned the respected SCAA Home Brewer Certification! Fully electric operation pre-wets grounds before brewing to let the flavor "bloom." Now your friends and family can enjoy the superior coffee taste produced by manual brewers - without the work! Temperature and strength lets you customize every coffee, and a unique laser-etched stainless steel filter helps to maximize this exceptional coffee experience. Available with Glass Carafe or Thermal Carafe.

- SCAA Certified - meets the Specialty Coffee Association of America's rigorous technical requirements for exemplary home brewers
- Flavor strength control - mild, medium, bold
- Temperature control - hot, extra hot
- 24-hour programmable - auto on, adjustable auto off, self clean
- 8 cup carafe - Glass (CPO-800), Thermal (CPO-850)
- Brew Pause™ - pour a drip-free cup before cycle is complete
- Includes charcoal water filter, laser-etched stainless steel permanent filter and #4 paper filter starter pack
- Limited 3 year warranty
