PHILIPS

Highlights

Ultimate flexibility

Philips Hue Lightstrip Plus is the most flexible light source imaginable. You can shape the strip in nearly any form and use the adhesive tape on the back to attach it to any solid surface. If needed, you can cut your Philips Hue Lightstrip Plus to size at the scissor markings. Integrate Philips Hue Lightstrip Plus onto furniture, in covers, under kitchen cabinets or highlight architectural features with smooth, indirect light. Philips Hue Lightstrip Plus is the most versatile and robust light source that will bring your room to life.

Extendible up to 33 feet

Extend your Philips Hue Lightstrip Plus up to 33 feet by adding 40 inch extensions to cover larger surfaces and enable wider applications. From bright cove lighting to ambient navigation light in your hallway or stairs, anything is possible. Philips Hue Lightstrip Plus gives you full color consistency from the first to the last extension.

High light output: 1600 lumen

With a high output of 1600 lumen and light coverage over its total length, hue Lightstrip Plus gives enough light to be used both as a decorative and functional light source.

Requires a Philips Hue bridge

Connect your Philips Hue lights with the bridge to control your lights from your smart phone or tablet via the Philips Hue app.

Be creative with colors

Play with light and choose from 16 million colors to instantly change the look and atmosphere of

your room. Set the scene effortlessly with one touch of a button. Use a favourite photo and relive that special moment with splashes of light. Save your favourite light settings and recall them whenever you want with the tap of a finger

Sync with music and movies

Extend your TV viewing experience to the whole room or sync light to your favorite music and see how light reacts to the rhythm. Download the third party apps and discover the amazing things you can do with Philips Hue.

Light up your gaming

Lift your gaming experience to the next level. Download the third party apps and discover the amazing things you can do with Philips Hue.
