

Conair Compact Fabric Steamer

Conair Compact Fabric Steamer | Fast, Portable & Effective

Small size tackles big wrinkles.

Smooth out wrinkles on all fabrics! With fast 30-second heat-up and up to 10 minutes of continuous steam, the Conair® Compact Fabric Steamer is up to the challenge. Powerful enough for home yet compact enough for travel, this handheld steamer eliminates wrinkles with ease. Spend more time steaming/less time refilling with the large removable water tank, and easily reach all areas of your garment with the long swivel cord. A bonus bristle brush attachment is included to allow steam to penetrate heavy fabrics. Get a fresh, wrinkle-free wardrobe while killing 99.9% of bacteria (based on third-party test report for efficacy on E. coli when used in accordance with enclosed instructions).

The solution for wrinkle-free clothes, the Conair® Compact Fabric Steamer is ideal for home or travel. It heats up in just 30 seconds, ready to deliver fast wrinkle-releasing steam that's safe for all fabric types. No rush necessary, as you'll have plenty of time to smooth out wrinkles on multiple garments with a generous 10-minute steam time. Faster and easier than an iron — no ironing board needed!

Tackle multiple garments before needing to refill, thanks to a large removable water tank. Plus, the long swivel cord ensures you can reach all areas of your fabric — from oversized coats to expansive upholstery. It even comes with a bonus bristle brush attachment for deeper steam penetration of heavier fabrics. With the added benefit of killing 99.9% of bacteria (based on third-party test report for efficacy on E. coli when used in accordance with enclosed instructions), your clothes will look and feel fresher than ever. Lightweight, fast, and efficient — this steamer is perfect for anyone looking to streamline their garment care routine.
