## MATE + SLIM (2020)

### Finders for your daily routine

*For the consumer who wants a good value on a preset entry into basic daily Tiles. Perfect for keeping track of everyday essentials.*

#### MATE

##### Versatile

No-fuss way to keep track of your stuff. Now with a longer 200 ft. range..

##### Everyday

Affordable so you can put them on everything.

##### Replaceable battery

Mate uses a replaceable CR1632 battery which runs for a year with no upkeep, and then is easy to replace yourself.

#### SLIM

##### Thin

The width of just two credit cards so it easily slip into narrow spaces or lays flat on expensive devices.

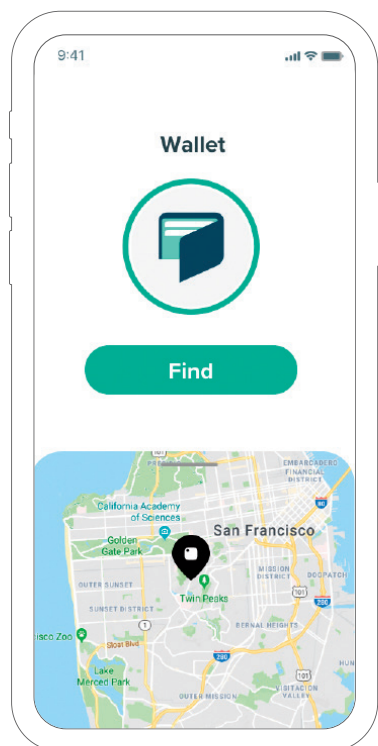

##### Discreet

Slim slides into hidden spots or keeps a low-profile on your devices.

##### Long life

The 3-year battery provides long-term convenience. Then Slim is eligible to be replaced at a discount.

### How It Works

#### Get started

Download the Tile app and follow the simple in-app instructions to activate your Tile.

#### Ring your things

Use the Tile app to ring your Tile if nearby, or see its location on a map if far away.

#### Find your phone

Double press the Tile button on your Tile to make your phone ring even when it's on silent.

#### Use community find

Get anonymous help finding your Tiles from the Tile community. *The Tile app running on their phones will send location updates to your app, letting only you know where your Tile is.*

#### Sharing

Share your Tiles in the app with family and friends to increase your finding power.

#### Smart home integration

Tiles work with Amazon Alexa and Google Assistant to make finding easier than ever.
