sprocket

Your own personal photo lab

- Sprocket Studio wakes instantly from sleep mode. Quickly print with the HP Sprocket app using Bluetooth®.[2,3]
- Use the HP Sprocket app to print your favorite social media photos.[1]
- Download the HP Sprocket app to customize your photos before you print them—frames, stickers, and more.[1]
- Optional portable power bank makes your Sprocket Studio ready for any event.

Hassle-free photo creations

- Use the HP Sprocket app to get helpful templates for building photo albums, cards, collages, and more.[1]
- Print as many or as few photos as you like—whatever you need for your photo creation.[1]
- View photos from your event in one place with HP Sprocket app.[1]

Photo prints that last as long as your memories

- Print bright, glossy photos that are smudge-proof, instantly dry, water-resistant, and tear-resistant.[1,4]
- Scan your Sprocket Studio and Sprocket photos to unlock content in augmented reality.[1]
- Create a shared album with Google Photos, so it's seamless to add photos and print.[1]
- Get everything you need to print high-quality photos with HP Sprocket Studio Cartridges and Photo Paper.
