

ProSense™ 307

GPS Watch

Multisport

The fully-featured GPS multisport watch with wrist-based heart rate.

Built-in GPS — RouteSense™ GPS technology accurately tracks your route, distance, pace and more

Wrist-based heart rate monitor — highly accurate and convenient CardioSense™ HR technology

EasyView™ display — wide-angle, high-contrast screen for superior readability

Easy-to-use menu — easily navigate via 5 simple buttons

#1 GPS battery life in its class¹ — up to 20 hours with GPS on

Ideal for multisport applications — supports running, cycling, swimming and indoor workouts

Automatically uploads your data to the Epson View App² — customize your goals and settings, including workout screens

Smart notifications and music control² — conveniently receive alerts on your watch, and control your playlist

Stylish, lightweight design; robust and water resistant — comfortable fit designed for performance

Advanced training features — VO₂ max estimate, recovery time and training effect metrics, along with interval training, workout alerts and waypoint navigation
