About

The **Drive Reach Overland** is our newest in-vehicle cell phone signal booster, specially designed for overland and off-road vehicles. The Drive Reach Overland sports a durable, all-weather omni antenna, providing maximum connectivity for when off the beaten path. Overlanding enthusiasts will appreciate the versatile mounting hardware – enabling them to attach the outside antenna in multiple ways. The outside antenna can also be folded down for when a vehicle is stored inside.

The Drive Reach Overland enhances all available network signals up to 32x. Drivers experience fewer lost connections and dead zones, better audio quality, and faster data uploads and downloads with this new signal booster. All components needed for installation come in one package. The Drive Reach Overland works with all cellular devices and all US carriers.

The Drive Reach Overland booster comes with a 2-year warranty.
