14-Cup Food Processor

The Cuisinart Elite Collection® 2.0 14-cup Food Processor delivers the next big innovation for the modern kitchen. With a 4½-cup work bowl nested inside the 14-cup bowl, plus a new adjustable slicing disc, which now slices up to 10mm, and the reversible shredding disc, it provides home chefs with multiple food processors in one! Wattage has increased to 1300 for more powerful performance, and the control panel and storage case have been redesigned for a sleeker look. The simplified seal system delivers maximum bowl capacity, plus clean processing and pouring. No other processor does it better!
