# PLAY OR TRAIN. ANYWHERE.

Rainmaker is built for total flexibility so practice never depends on place, setup, or conditions.

01

## **INDOOR-READY**

Train inside with radar-capture golf balls for safe, accurate practice — no permanent setup required.

02

## **OUTDOOR-PROVEN**

IPX4 waterproof construction means changing conditions won't slow you down.

03

## **FAST, SIMPLE SETUP**

The integrated carry handle flips into a stable stand. Set it down and start swinging.

04

## **PLAY FROM ANY POSITION**

A detachable remote lets you start sessions, change modes, and review shots without stepping out of your stance.

# GO DEEPER INTO YOUR DATA WITH THE **LAUNCH APP**

This is where Rainmaker goes from impressive to game-changing. The Blue Tees LAUNCH App unlocks a full analytics suite and other ways to play designed for golfers who want to understand why their ball flies the way it does—not just how far.

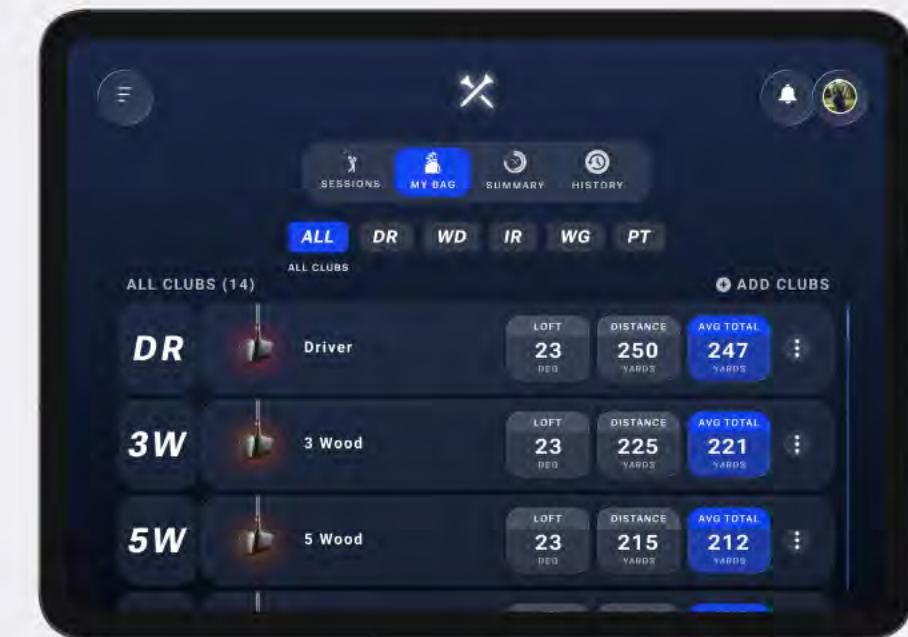

## APP-EXCLUSIVE ADVANCED METRICS

Unlock deeper insights powered by the Blue Tees Physics Engine to give yourself a full picture of things like shot dispersion, peak height, ball flight shape, and descent characteristics—ideal for dialing in wedges, long irons, and more.

## 3D RANGE SIMULATION

Take immersion to the next level and view real-time session metrics across all players beyond the on-device screen through a custom designed 3D range experience.

## “MY BAG” CUSTOMIZATION & SYNC

Set-up and store a digital twin of your actual bag so you can get personalized club data that’s constantly being updated as you use it.

# ACCESS POPULAR SIM APPS

Rainmaker pairs with industry-leading simulation software like E6 and GS Pro to unlock realistic course play and multiplayer formats. Whether you're grinding through a round with friends or enjoying a relaxed session at home with family, Rainmaker delivers a polished, dependable simulation experience built for group play.

GS PRO

# YOUR GOLF GAME, FULLY CONNECTED.

Blue Tees isn't just building connected products — we're building a connected game, and Rainmaker is where it all starts. Rainmaker is the engine of the Blue Tees ecosystem: capturing your swing data, translating performance into insights, and syncing everything seamlessly through the GAME platform. It's the place where practice turns into progress — and where every other device gets smarter.

With one Blue Tees membership, Rainmaker unlocks real-time launch data, AI-powered insights, dispersion patterns, and post-session analytics that flow effortlessly across your entire setup. Your distances inform your rangefinder. Your tendencies shape club recommendations. Your practice fuels smarter decisions on the course. Whether you're dialing in your swing with Rainmaker, teeing off with the Captain, tracking your round on Playmaker+, or scoring through the Player Pro Speaker — everything connects back to one source of truth

# MAKE EVERY SWING COUNT.
