

EH-XC10-N Micro-Foaming Cleansing Device

2015 WOMEN'S BEAUTY

BEAUTY

Model:
EH-XC10-N
(Champagne)

3-IN-1 MICRO-FOAMING CLEANSING DEVICE

Indulge in a gentle, Japanese-style cleansing experience. Based on this traditional dual-cleansing process, gentle heat is used to help remove everyday makeup followed by facial cleansing to rid skin and pores of dirt and oil. Twice weekly, targeted cleansing is used for areas like around the nose and chin. The result is smoother, brighter skin.

MICRO-FOAM DESIGNED FOR DEEP, GENTLE CLEANSING

Patented technology blends a user's favorite foaming cleanser with water and air to create a rich, micro-foam designed to deeply cleanse and purify pores to help reveal smoother, brighter skin..

GENTLE WARMTH FOR MAKEUP REMOVAL

Easily loosen and remove everyday makeup in just three minutes using the warming makeup removal plate along with your favorite facial cleansing cream, lotion, gel or oil.

**TWO BRUSH ATTACHMENTS FOR DAILY AND WEEKLY CLEANSING.
JAPANESE-STYLE SOFT BRUSH FOR GENTLE CLEANSING**

The included Japanese-style Soft Brush uses ultra-fine, tapered bristles to gently lift and remove everyday impurities, excess oil and lingering makeup, leaving your skin feeling soft and luxurious.

SILICONE BRUSH FOR TARGETED, DEEP PORE CLEANING

Use the included Pore-Targeting Silicone Brush twice weekly for deep cleansing of targeted areas like around the nose and chin.
