- MI-7926 supports up to 37.5 pounds and has a wide tabletop measuring 36.5" x 22"
- The gas spring mechanism allows for smooth & easy up and down height adjustments from 6.25" to 17"
- The wide design allows enough room for a dual monitor setup or a monitor and laptop combo
- Ready to use out of the box; simply attach the keyboard tray with the included hardware and get to work

## OVERVIEW

This height-adjustable desk sits on top of your existing desk and allows you to work comfortably from either a sitting or standing position. MI-7926 is an affordable way to modernize your workspace. Changing positions throughout the day helps prevent strain and health issues that can arise from sitting for extended periods of time. The gas spring-assisted lift mechanism helps you adjust the height quickly and effortlessly.
