

Shenmue I & II

## Shenmue I & II

SEGA's most requested re-release of all time finally comes to a new generation. These pioneering classics deliver an epic story of revenge within a unique open world that is still unrivalled in depth and detail. With an all-new re-release on modern consoles, a new generation of gamers will experience one of the greatest game series of all time. Return to the legendary saga that defined modern gaming. The saga begins...again.

### The Best Shenmue Experience

- Pioneering Dreamcast classic available for the first time on PS4, Xbox One.
- Updated user interface.
- Choice of modern or classic controls.
- Japanese audio available for the first time for a global audience.
- Fully scalable screen resolution.

### The World Feels Alive

- Talk to anyone, scour the world for clues.
- NPCs live independent lives on their own schedule.
- Faithful recreations of 1980s Japan and Hong Kong, China.
- Distract yourself with arcade games, collectibles, duck racing, and more.

### An Epic Legend

- A tale of revenge on a grand scale.
- Solve the mystery of your father's murder.
- An experience never to be forgotten.
