

Vivint Glance™ Display

Control where you want it

Wi-Fi connectivity for easy expansion of your system.

7" HD touch display for system control and crisp, clear video.

Speaker and microphone for convenient two-way talk with doorbell and indoor cameras.

System chimes for staying aware of what's happening throughout your home.

Wall-mount or table-top placement options.

Elegant and intuitive interface for total system control.

Vivint Glance™ Display

Why you want it

-  Dedicated secondary display gives you convenient home control where you want it.
-  Complete control of your whole system, including security, locks, lights, thermostat, and cameras.
-  Has the flexibility to be mounted to the wall or placed on a countertop, depending on your needs.
-  Quickly view what your cameras see and enjoy two-way talk with your doorbell and indoor cameras.
